Address Changes

One of my primary goals is to increase your awareness about chapter happenings, both locally and nationally. One of the best ways that I can do this is to encourage you to update your address which is on file with the union. That can be done in two ways:

1. Register at NTEU.ORG, and update your own addresses.
2. E-mail me at Edward.Filistowicz@NTEU23.com we'll work it out from there.

Chapter 23 will not sell or share with anyone outside of NTEU the information. We will use it when there is a need to contact you without going through your .gov email address. You have to let us know your home email address, at least. If you want to be in the know, then let us know the best way to contact you! You NEED to give us your home email address.
